3	Annexure-‘III’ Criteria for Evaluation of tenders A. Essential Qualifying Criteria Note- Page No. 25/121 (New Addition)		a1) Separate completed works for each component (i.e. EIA and SIA) shall also be considered for fulfilment of experience of similar assignments. If the consultant has done the two components under different contracts in the same or different projects, value of each of the component will have to be more than 35% of the advertised value of tender for meeting minimum technical eligibility criteria. Example: Suppose a Consultant has done 2 contracts-A&B in different projects. Contract A comprises EIA study. The value of Contract A is INR X. Contract B comprises SIA & DPR preparation and the value of Contract B is INR (Y+Z), where Y is for SIA and Z is for DPR preparation. For satisfying the minimum technical eligibility criteria the following conditions should be satisfied- i. Consultant must have completed Contract A and SIA component of Contract B. The Consultant will have to submit documents pertaining to proof of execution of Contract A and SIA component of Contract B. ii. Each of INR X (for EIA study) and INR Y (for SIA study) should be at least 35% of the advertised value of tender.

The Corrigendum No. 2 shall form part of the RFP. All other terms and conditions of RFP shall remain unchanged.
